MRS MARY GREEN

Dedication

There is an old French proverb that says "Gratitude is the heart's memory." If this is true, then the memory of Mrs. Many Green will always be one of sincere admiration and genuine esteem for her many efforts on our behalf. To perpetuate these sentiments, we, the students of Serra Catholic High School delicate this year's annual to our beloved teacher. In the past five years she has worked unceasingly for our westere. We her students are grateful for the help she has given us in realizing our responsibilities as Catholic students. From her good example we shall long learn and profit.

It is with greatest reverence, therefore that we dedicate the 1965 Serran to our friend and teacher, Mrs. Mary Green.

A Worthwhile Retreat

The Seniors' next venture came in a spiritual way. On May 12, they boarded the buses and headed for Shaw to take part in the retreat day. The day was filled with lectures and discussions among the priests and students. The Seniors discussed the n newal and reform within the Church and other prominent issues related to their faith

May 25 was the day that the Seniors chose to board the buses and head for the ocean to enjoy the routing. It was a bright and beautiful day and as the Seniors' feet touched sand the excitement began. First, a hut was built to keep out the wind but it was backwards; there was a football game on the beach, pipo-boards were attempted and conquered, canoes and rowboats were paddled out on the lake, nubber rafts were bounced across the waves, and as a climax, four monstrous bonfires were built. It was an exciting and fun-filled day one that will long be remembered by all the departing Seniors

SOPHOMORE CLASS OFFICERS

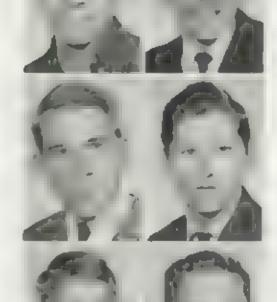

Sophomores

1965 was a developing year for the Sophomores. Their class is laden with talent, both athletically and cademically. The Sophomores comprised the largest part of the J.V. football and basketball teams plus poasting athletes in both track and baseball. The mental ability of this class is exemplified in the fact that Virginia Nelke placed second in the district in the Soil Conservation essay contest and Francine Fitzpatrick placed third in the regional Voice of Democracy contest. With their record of the past to back them the Sophomores can look forward to a fine future as Serra's upperclassmen.

A little seared, a new class of students slowly drifted into the halls of Serra. They were the beginning class of Serra and came with the desire to see all, know all, and to be all. A little skeptical of teachers, regulations and upperclassmen, they were cautious in trying new things. Their proudest moment came when they were initiated imo Serra and finally recognized as students of Serra. called "Freshmen". Friendliness is their pass word, and they have a real desite to make a good impression their first year. They tend to bunch together, sit on the lawn, support all school activities, and change their opinions often.

Their school spirit started out with a cup cake sale to improve the school furniture. They would do anything for Serra. Dreams and wishes make their world go 'round and so the lightnen are the foundation of school spirit and the builders of big ideas of tomorrow.

SPIRITUALL

Students Participate in First Friday Offering

The students place their hosts in the ciborum before Mass begins.

On the First Friday of each month the holy sacrifice of the Mass is offered in the gym for all the Serra students. There are two tables, one on each side of the altar, with the hosts and ciporium situated on each, as the students enter the improvised church those wishing to receive communion place a host in the ciborium. At the offertory the altar boys take the hosts to the altar for consecration and the Mass proceeds. Harry Duncan a sts Father Vincent in celebrating Mass at Shaw on Recollection Day

May 12 called the Juniors and Seniors to the annual Day of Recollection held at St. Mary's in Shaw. Principal speakers were Father Kalherer, Father Schindler, Father Bertram Van Slyke, and Father Garvey, who talked on different aspects of freedom in the Church. After each talk, a discussion was held and questions were presented to the speakers. At the end of the day, Community Mass with singing was held in the auditorium. The questions, controversies, and thoughts projected were beneficial to all

Students Elect

May 12, capped a week of vigorous, hardfought, and controversial campaigning. The speeches, filled with promises, jokes, and serious topics were read, leaving many students re-evaluating the candidates. Finally a majority decided the future of the school and elected Bill Koenig, president Ron Lajoy, vice-president. Mary Pat Mikulic, secretary, Dave Cramer, treasurer, and Dave Price, activities manager
